

Pine Ridge Youth Clinic at Sand Ridge GC, Markota Acres GC, and Rosebud (St. Francis Indian School)

About First Tee—South Dakota

First Tee—South Dakota improves the lives of young people by providing educational programs and learning environments that build character, instill life enhancing values, and promote healthy choices through the game of golf. First Tee Programming experience enables participants to learn valuable lessons about the importance of maintaining a positive attitude; how to make decisions by thinking about the possible consequences and how to define and set goals from the golf course to everyday life. Participants learn about themselves and others through a range of experiences

enhancing their golf skills as well as their fundamental values for life. As their opportunities on the golf course expand, so do the opportunities for their future. We are building game changers!
